WORK EXPERIENCE

Amazon Web Services

Associate Account Executive

Inbound Sales Intern

Arlington, VA

June 2020—Present

Summer 2019

- Prospected 1,000+ startup customers to create opportunities in cloud computing.
- Engaged with enterprise customers for AWS's annual conference to generate \$30K.
- Researched startup customers on their specific cloud needs through personally collected phone survey data
- Analyzed data to identify business issues and evaluate their significance through revenue gain estimation, culminating in a presented Amazon-style "white-paper" with actionable solutions.

McCaskill for Missouri

Finance Intern

St. Louis, MO

Fall 2018

- Cold-called 800+ constituents to raise campaign funding.
- Maintained NGP & VAN databases to build high donor lists for Senator McCaskill.
- Assisted fundraising and canvassing events with the finance team.

Simon & Schuster

Editorial Intern

New York, NY

Summer 2018

- Edited manuscripts and wrote advertising content for 20+ books.
- Communicated with editors, authors, and agents on product development.
- Worked with the marketing and publicity teams on product launches.
